Hey CIRES!
How are we doing?

CIRES Diversity and Inclusion wants YOU to share your experience as a CIRES employee.

The 2018 CIRES Workplace Culture Survey will help CIRES leadership learn more about what we are doing well and where we can improve. The survey will be run by CU Institutional Research and the CU Office of Institutional Equity and Compliance to ensure that all responses are secure, confidential, and anonymous. Your response will help CIRES develop programs and policies to assure that CIRES is a great place to work for everyone.

When: April 12-May 13
From: Your survey link will come from CU Institutional Research
Questions? ciresdiversity.colorado.edu/culture and susan.sullivan@colorado.edu.
Goal: We aim for >75% response from CIRES employees.

Your response helps us to move forward in the best possible ways.
