

Thank you for taking the time to recommend a student for the CIRES Summer Research Program. This form should take approximately 5 minutes to fill out. A recommendation form is required for each student applying to the program.

We value the work and effort that you spend with students, therefore we do not require recommendation letters for our applicants, only this recommendation form. We have added a couple of open-ended short-answer questions to this recommendation form for you to provide additional comments about the student you are recommending. Please contact ciresdiversity@colorado.edu with any questions.

The recommendation form is due by February 7, 2022.
